

Village Church is located at 2 Central Street in Wellesley Square, at the intersection of Central, Grove, and Washington Streets. There is very limited parking around the church building, but plentiful spaces are available on the streets surrounding the church and in nearby lots.

From Route 9 East or West:

Exit at Weston Road toward Needham/Wellesley and travel south about 1 mile. At the light, turn left onto Central Street. In two blocks, you will see the church on your right. Park on the street or in neighboring lots.

From Route 128 North or South:

Exit at Route 16 West (Exit 21-21B) and travel west approximately 3 miles toward Wellesley Square. Town Hall (a castle-like structure) will be on your right and Town Library will be on your left. At the next light you will see the church ahead and to the left. Park on the street or in neighboring lots.
