

Can't remember if you have registered for a Workshop or a Zoom meeting?
Here is how to find out!

After you have signed in to the website, click on the little yellow arrow at the upper right corner of the web page.

A small dropdown menu will open:

Clicking on any choice (except 'Log Out') will open a larger menu.

Please Note: Several members have registered two or even three times for the same Workshop! This is expensive for the member as only credits are issued. But it is also time consuming for several volunteers including the Morning Workshop Chair, the Treasurer, and the webmaster. All three of us are involved in identifying the duplication, issuing the credit, and adjusting the number of spots still available for the workshop. Please check if you are not sure.
