

Education Grant Annual Report
2019- 2020

As of May 10th, no requests for Education Grants have been received.

Just before the end of the fiscal year 2018-2019, one new request was received and approved for Mindy Comeau for \$250 to attend programs at NEWS. Mindy's article appeared in the November Bulletin.

Siobhan Kelleher's grant was approved and she had agreed to write an article for the Bulletin and that is outstanding. She has been reminded and I hope to have her article for the next Bulletin.

The 5 year plan from Education Grants was submitted as requested.

Thank you for the opportunity to serve as Education Grants Chair.

Respectfully submitted,
Martha Rossman
Education Grant Program Chair
