

*Education Grant Annual Report*  
*2020- 2021*

As of May 1, 2021, no applications for an Education Grant have been received.

The Education Grant Policy and Grant Application were updated and are posted on the WGB website. The policy was published in the August 2020 Bulletin and in the 2020-2021 WGB Yearbook.

Changes of note were:

- Research or special projects concepts to be discussed with the Education Grants Chair;
- After receiving a grant, the requirement of the recipient to share the knowledge gained was changed from 1 year to within three months after category completion;
- In the “ways to give back” section, recipients may choose to provide a sample draft for the bulletin, replacing an actual woven sample;
- Mail in (paper) applications have been eliminated and all questions and/or applications are to be emailed to Grant Chair at the email provided in both the policy and application form.

An Education Grants job description was submitted to the Nominating Committee for approval.

Any and all questions, comments or suggestions are welcome by using the “Contact Us” button on the Education Grants page.

Thank you for the opportunity to serve as Education Grants Chair.

Respectfully submitted,  
Martha Rossman  
Education Grant Program Chair
