Library 2017-2018

Year-End Report

The WGB Library has seen a lot of activity this year. Members continue to check out books from both the Vestry displays and the 3rd floor library. There is usually a constant flow of members in the library during our meeting times, and it is a great space to share ideas.

This fiscal year, purchased 3 new books, 2 DVDs, renewed 2 magazine subscriptions, as well as received a number of book donations. Our expenses on these books and periodicals was \$205.95. Two members also made a total of donations in the amount of \$65.00 toward the purchase of books.

I have continued to catalog our library into the Pourrey-Cross System and hope to be finished this summer. I will do a call out to members to help reshelve all our books into this new system, hopefully before the Fall meeting.

A big thank you to Linda Snook who has continued to help in the library this year. She will be moving on and I welcome Risa Burns as the new Assistant Librarian.

Respectfully Submitted,

Joanne Germaine

WGB Librarian
