Yearbook expenses IN 2018-2019 were higher than in 2017-2018 as the entire Yearbook was reprinted including the Ratings and Bylaws sections. These sections will not be reprinted again until changes warrant a reprinting of the sections. This year, Yearbook costs to the WGB will be lessened as members will pay \$10 for a printed Yearbook. As in the past, there will be no charge for the digital Yearbook.

Working on the Yearbook was an enjoyable experience. Susan Targove, the previous Yearbook Chair, was again very helpful. Information was submitted in a timely manner by the Yearbook Ad Chair, the Dean, Associate Dean, treasurer and Committee chairs.
