

WGB Yearbook Annual Report – May 2021

Yearbooks were printed last August and distributed in September. Since September was a Zoom meeting, yearbooks were mailed to the 41 members who had paid the \$10 for a yearbook. This was the second year there had been a charge for the yearbook. 50 yearbooks were printed so there would be yearbooks available for new members who joined during the upcoming year and wanted a printed version. Per unit cost to print the yearbook was \$3.88.

Yearbook contents were sent to the Website Chair for the digital yearbook which is available to all members at no charge and is updated as needed.

At the May 2021 Board Meeting, it will be discussed and decided if printed yearbooks will again be made available to members at a \$10 charge for the upcoming year.
