

Education Grant Report
2018 - 2019

So far this year one Education Grant has been approved as follows:

- To Siobhan Kelleher for attendance at NEWS classes:

Last year's Grant recipients fulfilled the obligation of grant recipients to "give back" to the Guild.

Peg Schaefer produced a notebook of her experience attending a class of L'Amour de Maman, 2 Shaft Weaving of the French Acadians. The class was led by traditional weaving expert Melissa Weaver Dunning at the Marshfield School of Weaving. The notebook contained narratives as well as photographs and samples of this traditional method of weaving. Peg has donated the notebook to the WGB Library.

Susan Broadmeadow attended the Jason Collingwood's rug weaving class of 4 End Block Weave held at Harrisville in New Hampshire this past July. Her experience is memorialized in the WGB 2018 Winter Bulletin on Page 8.

Thank you for the opportunity to serve as Education Grants Chair.

Respectfully submitted,
Martha Rossman
