2nd Assistant Chair for the Nominating Committee, Chair for Public Relations, and Ad Chair for the Yearbook.
8. Elizabeth Springett reported on possible future new locations for the Annual Sale. There is a good possibility that WGB will be able to use the Barn once again this year. Days and hours were discussed. The dates are Nov 1 - 5, with drop-off, jurying, and set-up all being done on Nov 1.
9. Emily Tipple's Branding project was discussed. It was agreed that it would be a good idea to have a sub committee of the 100th Anniversary Celebration work on a revised WGB logo. It was agreed to thank Emily for starting a conversation on this topic.
