

Dean's Report - 2019

Looking back over this year, I am struck by the positive energy, increased guild participation, and of course wonderful weaving that I have seen this year

We are a vibrant and enthusiastic group united in our love of beautiful cloth - and we encourage and inspire each other.

Our annual Guild Challenge has provided interest and excitement, and our Morning workshops have been at capacity. We have had wonderful afternoon speakers at our well attended meetings. Our library is more user friendly due to the new Purrey-Cross cataloging system, and our newly designed website is both informative and eye-catching.

We look forward to increased Sale participation and we are enthusiastically expanding our Outreach and planning for the 100th Celebration.

All - in all - A great year - Thanks to all of you!

Carol McClennen
